Comment:

a. The headquarters and component units of the 290th Gds Mtz Rifle Regt/ 95th Gds Mtz Rifle Div are assumed to be stationed in MAUER-OEHLING. Field units of the regiment were previously reported to have gone to the DOELLERSHEIM troops training grounds for summer maneuvers, while the recruits remained at the post for individual training. Information from other military posts also indicated that recruits from the Soviet Union arrived in July 1949.

b. The report confirms the AMSTETTEN hospital (in the high school building) up to early August 1949.
